## BOOK SYNOPSIS

The Dragons of Eternity were once creatures of mist and legend. Now they've returned to the world, prepared to claim what's rightfully theirs... Tayla is desperate for a place to call home. After years on the run, the young imp impulsively buys a teahouse and is determined to build a new life. Unfortunately, she's barely opened the doors when she's tracked down by the dragon who purchased her from troll slave-traders. He demands she pay off her debts...in his harem. Baine has devoted a quarter of a century to tracking down his beautiful concubine. And now that he has her in his grasp, he's not about to let her go. But it's soon apparent that he isn't the only demon hunting her. He must uncover her secrets or risk losing her forever. "Ivy always packs her books with buckets of action, emotion and sexy sizzle. Another winner!" —Romantic Times on *Devoured by Darkness* "The romantic dynamic is smoldering and the seduction focuses on compelling trust, increasing the appeal." —Publishers Weekly on *My Lord Vampire* Dear Reader From the moment I introduced the mysterious dragon, Baine, in *Darkness Avenged* I knew that I wanted to know more about him. He was cunning, elusive, with a hint of dark secrets in his past. Even better, he was lethally sexy. The perfect hero. My *GUARDIANS OF ETERNITY*, however, already had a large cast of vampires and Werens and fey creatures. There wasn't much room for Baine and his equally fascinating friends. Which was why I came up with a new spin-off, *THE DRAGONS OF ETERNITY*. For those who haven't read my previous series, this is a perfect place to start. And for those who have enjoyed the *Guardians*, I can promise there will be a few scenes with your favorite gargoyle, Levet! I hope you enjoy Baine's story!
