BOOK SYNOPSIS

Spanning the 1960s-1980s, this science-fiction-themed second volume of our complete Guido Crepax library features, in addition to adventuress Valentina, two more of the famed Italian erotic artist's heroines. Marianna is a mysterious friend of Valentina's (or is she? And why do they look so alike?). Belinda is a motorcycle-driving, pop art action star inspired by then-contemporary characters like Barbarella. In *The Time Eater*, Valentina meets a curious couple in an asylum, encounters strange creatures on a photo assignment, is caught in a Rube-Goldber-like death trap, and much more.
